MEMORANDUM FOR:

Legislative Division, OLL

25X1

FROM:

Charles E. Allen  
National Intelligence Officer for Counterterrorism and  
Narcotics

SUBJECT:

State Testimony on Anti-Terrorism Legislation

REFERENCE:

OLL 85-2172, dated 25 July 1985, Same Subject

I have read Mr. Sofaer's proposed testimony before the Senate Judiciary Committee's Subcommittee on Security and Terrorism. Recognizing that this particular legislation simply extends US criminal jurisdiction to terrorist murders of US citizens abroad, I have no reservations about it specifically, although my comments to you yesterday concerning protection of sources and methods and the growing role of law enforcement in counterterrorism still apply.
